Photo Release

As St. Edmund Prep continues to expand our public identity, through our website, alumni newsletter and print advertising in local newspapers, we are looking to include more photos of our students “in-action”. We believe that using such photographs will give those interested in our school community a real sense of what life is like as a St. Edmund Prep Student. In order to use photos of our students, we must obtain permission from each student and their parents to use these photos. Please fill out the information and sign below. Please check the appropriate box below.

I hereby grant to St. Edmund Preparatory High School the right to use and publish photographs of my child, or in which my child may be included, for school publications, electronic reproductions (web sites) and/or promotional materials or any other purpose related to St. Edmund Preparatory High School in any manner or medium. I release the photographer and St. Edmund Preparatory High School from all claims and liability relating to said photographs.
