## 11th Annual Walkathon at St. Edmund Prep

St. Edmund Preparatory H.S., Sheepshead Bay, recently held its 11th Annual Walkathon in Marine Park. Freshmen were excited to participate in their first walkathon while the senior class was sad that this was their last one as Prep students.

Students and faculty donned St. Edmund T-shirts as they circled the park and enjoyed a hearty breakfast afterward. The funds raised will be used to purchase a new school bus.

Above, science teacher Brian Wagner and his senior homeroom pose for one last picture before hitting the pavement.
